The Dirtless Digging Solution

Produces a hole with no loose dirt in the bottom or around the top of the hole

Spiral and checkered hardfacing

Pushes through

- Dirt
- Sand
- Clay
- Asphalt
- Compacted Rock
- Embedded Rock

We recommend the 9" Wobble Auger be used on a skid-steer with an Operating Load or Rated Operating Capacity of 2250 lbs. or greater, utilizing an auger drive with 2000 ft. lbs. of torque or greater.

Various collar options available

- 4", 6", and 9" diameters with standard 4' length

Not designed for 3-pt. hitch mounted auger systems

More holes, less work

danuser.com
Established in 1910, DANUSER has been family owned and operated by four generations. We have manufactured auger systems since 1943. With over 65 years of design and manufacturing experience, our machines have dug millions of holes. Today our commitment to our customer remains to design and build products that are the benchmark of quality, reliability, and longevity. In the words of our founder K.B. Danuser, “Good enough won't do – it must be right.”

DANUSER manufactures several attachments for various equipment, serving several industries worldwide. Please visit www.danuser.com to see our full line of attachments.
