THE INTIMIDATOR® YOU TRUST, NOW TAKING PROVEN PERFORMANCE FURTHER

The expanded Danuser Intimidator® lineup delivers unmatched versatility, strength, and control for tree and brush removal across machines of every size. Now available in three models—the Intimidator, Intimidator CT, and Intimidator XL—this next-generation family brings improved jaw designs, enhanced digging performance, and smarter engineering that protects components and boosts productivity. Whether pulling trees or posts, moving materials, tackling demolition work, or excavating stumps, the Intimidator delivers dependable power, cleaner operation, and multi-purpose capability for tractors, skid-steers, or mini-track/skid loaders.

- **Optional upper grapple jaw adds clamping and carrying capability**
- **Versatile, multi-purpose design combines the function of a tree/post puller, stump bucket, rock picker, material handler, and trailer mover**
- **Hitch receiver comes standard for added utility in moving trailers and equipment (not included with flat back mount options)**
- **Bidirectional saw teeth provide multi-direction digging and sawing, while the curved jaw design allows effective open-jaw digging around roots and dense material**
- **Rear-mounted 3" hydraulic cylinder and hoses are fully protected from limbs, debris, and impact for reliable operation**
- **Open-back frame enables fast, hassle-free clean out and provides easy access to key components for simpler maintenance**
- **Lower operating costs than a bulldozer and less effort than a chainsaw**

MOUNTING OPTIONS	Intimidator CT	Intimidator	Intimidator XL
Skid-Steer Quick Attach	✓	✓	✓
Mini-Skid-Steer Quick Attach	✓		
John Deere 200/300/400/500 Series Quick Attach	✓		
Euro/Global Quick Attach		✓

A HISTORY OF INNOVATION

Established in 1910, Danuser is a 4th generation family owned and operated company. With decades of design and manufacturing experience, we build our products with reliability that will last for generations. From our renowned auger system released in the mid-1940s to the more current designs, our commitment to our customers remains the same - to design and build products that are the benchmark of quality, reliability, and longevity.

In the words of our founder K.B. Danuser, "Good enough won't do – it must be right."

Danuser manufactures industrial and agricultural attachments for various applications, serving many industries worldwide. Please visit **www.danuser.com** to see our full line of attachments.
